Everyone should be informed of the facts of COVID-19. We are all in this together.

**MYTH**
COVID-19 can be cured by hydroxychloroquine (anti-malaria drug).

**FACT**
There is currently no proof that hydroxychloroquine or any other drug can cure or prevent COVID-19. In fact, hydroxychloroquine has been associated with increased harm for COVID-19 patients.

We protect each other by: practicing physical distancing, staying at home (if you don’t feel well)

- Frequent handwashing with soap for at least 20 seconds
- Wearing a cloth covering over our nose and mouth in public places
- Coughing or sneezing into your elbow
- Practice physical distancing by maintaining 1 metre distance between you and others
- Avoid touching your eyes, nose and mouth
- Stay at home if you feel sick
