One Health Risk Communication Training for  
Chiefdom-Level One Health Structures

2023

# ABOUT THIS ATTACHMENT

## **APPROACH AND ORGANIZATION OF THIS APPENDIX**

---

This training is designed to be participatory and interactive. It emphasizes adult learning methods that require participation through small and large group discussion, brainstorming and reflection, role-play, and practice. To prepare for this training, **print one copy per training** of the photo attachments.

These photos should not be given to participants but used as need throughout the sessions.
